Gospel: John 20:1-9

Easter Sunday celebrates the miracle of all miracles, what no one has ever done in life. Christians believe that Christ rose from the dead and in the flesh was seen again, touched and spoke as the one who was with them prior to his execution. Our faith for 2000 years has only survived because of the Easter event. How else do we understand ourselves.

“And he departed from our sight that we might return to our heart, and there find Him. For He departed, and behold, He is here.”
~St Augustine

Somebody mentioned to me this week that the aligning of St. Patrick's Day and Palm Sunday on the same week will not happen again for 163 years, 2171 A.D. Wow!

Thank you for all who came and supported St. Mary's Palm Sunday Brunch last week. Special acknowledgement to the team who put the fund-raising event together.

Concept of a parish by Charlene: “Parish is a Community where people come together to share, pray together, a central place to get to know each other, in good and bad times, and every day life. Sharing activities in what's happening in one's life, yet pitching in as part of the community.” Send your concept of what a Parish is to you.
