Gospel: John 20:19-31

One cannot blame Thomas for asking to place his hands into Jesus wounds to confirm if it is Jesus. The story reveals that Thomas witnessed Jesus Passion. He saw and knew everything that happened to Jesus in His Passion, and where all the marks should be. Now he wants to recheck his wounds in order for final proof if it is the Christ. Thomas does not accept Christ's word, "I am Jesus." He has to have it proven to him. Yet in the end he did come to believe, and later martyred for this belief.

Pope Benedict XVI's  
Easter Message:

"Love of neighbor,  
grounded in the  
Love of God, is first  
and foremost a  
responsibility for each  
individual member  
of the faithful ... As a  
community, the Church  
must practice love."

In 1502, Pope Julius II decided to build the New St. Peter's Basilica. It would take 200 years to complete. The cardinals began to accumulate much wealth in terms of Art, Sculptures, and gold & silver objects. When they died, it was left to no one so the Popes boarded them up in boxes in the Vatican cellars. Finally, they displayed them for the public and pilgrims to view. Such began the Vatican Museum which is now 500 years later, one of the world's premier museums.
