Gospel: John 11:17-27

Only Jesus speaks that where I go you too will come. This is not the lingua of humanity but of divinity. Human beings hope Jesus is the Word of Life and therefore look to him as the revelation of eternal life. No human being can speak the language of eternal life as if it is his own. We are mortal. Only the Son of God can speak language of Resurrection as his own who is eternal life.

What is a **Pope's salary**? The Pope receives not a penny in pay. He is not allowed to have a bank account. On the other hand, the Vatican Bank is his, and Popes are generally not envisioned as at the poverty level.

What is a **miraculous medal**? It originated with an apparition of the Blessed Mother to St. Catherine Labouré in Paris 1830. The medal honors the Immaculate Conception of the Blessed Virgin Mary. On one side of the medal, Mary standing on a Globe crushing the serpent's head; on the other side, the letter M, twin hearts of Jesus circled by thorns, Mary pierced by a sword, circled by 12 stars. This medal is one of the most popular of all medals. It is called Miraculous because of the miracles that were said to have been performed for the benefit of those who wore it.
