Martha's nephew, Dennis McNeil, a renowned American tenor (google/wiki bio), sang the National Anthem at the Giant home game last Tuesday. The McNeil Family and friends from Nicasio were among the spectators enjoying the event that day.

Universal Church

German church-state relations through concordats the church is supported not by voluntary donations by the faithful, but through a tax – amounting to 8 or 9 percent of an individual's income, collected by the Federal Government. To avoid paying the tax, one must declare oneself an atheist or no longer affiliated to a church. This tax supports Catholic schools, universities, hospitals, and parishes.

The ten human medic workers murdered by the Taliban in Afghanistan are the true heroes of our time. Selflessly dedicating their lives to Third World communities living in abject poverty. Unfortunately each year over 250 volunteers are murdered around the world.

Last Week's Collection:

St. Cecilia's, Lagunitas	\$ 595.00
St. Mary's, Nicasio	\$ 412.00
Total:	\$ 1,007.00
