Gospel: Luke 18: 1 – 8

I am neither a man of letters nor of science, but I humbly claim to be a man of prayer. It is prayer that has saved my life. Without it, I would have lost my reason long ago. One can live several days without food, but not without Prayer (Mahatma Gandhi). Jesus regularly took time out to pray no matter how busy he was. Prayer is essential to Faith.

Universal Church Catholic Church across the world will be implementing some changes in liturgy. These changes will apply to all Catholic Churches in communion with Rome and have to do with language – the idea is to have a more "precise" English translation of the Latin language. This means that we will be using the new text of the new Roman Missal starting on the 1st Sunday of Advent, November 27, 2011. We will perceive some clear changes as this new translation will affect the language we use to say our prayers when we celebrate the Eucharist. Little by little I hope we all can be informed about these changes.

October – Pro-Life Month Teenager James Balch sees abortion as degrading leading to degradation of other values in society. For James, it is not a religious issue but a moral one. It is the biggest issue of our day because how you treat life is how you will live life.
