Gospel: Luke 18: 9 – 14

If the Pharisee had his way, the tax collector would not have been allowed into the temple at all. Some people believe that sinners should never go to church, they cry hypocrites at those who do. According to them, only saints should be admitted to church. But that would result in a very small church. We go to church, not because we are worthy, but as the prayer says, "Lord, I am unworthy to receive You. Say but the word and I shall be healed."
