Gospel: Matthew 6 : 24 – 34

Worrying is a part of the human condition especially when it involves realms of the unknown. Can I pay my mortgage, will my child recover from an accident, where do I go after this life, ... etc. Some life issues deserve worrying, but the majority of living life should be free of over worrying and anxiousness. God made us to be happy not worriers.

TEST YOUR CATHOLIC KNOWLEDGE:

The doctrine of the Trinity means

- that we believe in three Gods.
- that we believe in the Creator, Redeemer, and Sanctifier.
- that we believe in one God who is Father, Son and Holy Spirit.
- that we believe God was called the Father before the Incarnation, then became the Son during the lifetime of Jesus, then turned into the Holy Spirit when he went back to heaven.
- that the Father created the Son and the Holy Spirit.
