The Eucharist is the one liturgy that brings about unity within the church, wherever in the world you travel, the Mass remains the same. It is like the grains of wheat that form one loaf. The Eucharist celebrates and strengthens our unity in Christ.

Disaster Preparation

The Valley is concerned that we are not properly prepared if a natural disaster occurs.

- A. Have families stockpiled canned food, water, medications up to 72 hours
- B. Know the evacuation plan routes for your residence
- C. Know where the emergency shelter is where you go to
- D. Know what you are supposed to do if your kid is on a school bus when an earthquake occurs
- E. Have you spoken to your neighbors how you can help each other in an emergency

In a disaster the Valley could be cut off from the rest of the county because it is more isolated. Individuals and families are expected to be self sufficient.
