Matthew 22:15-21

The question put to Jesus is to trap him on the question of taxes. The Pharisees opposed paying taxes to the Romans. The Herodians approved Roman taxes. Whose position would Jesus denounce? His answer recognized both the state and the temple have financial rights. Give to Caesar what is Caesar's and to God what belongs to Him. In the final analysis, the rights of God are not to be supplanted by the state.

Thank you to all patrons.

The Diocese inspected our properties back in July and found St. Cecilia's needs to re-tar the roof over the Hall 2011 and the retaining wall is breaking up. The roof has to be addressed immediately. Send in your ideas to prepare for this.
