Matthew 22:34-50

Scripture invites us to contemplate God's word through story, poetry, wisdom, sayings, proverbs, prophecy, letters, and theology. Like art, it is to draw us into deeper insights into self and life.

The rabbinical count 'the Law' consists of some 613 Laws. Jesus was asked to name the greatest one of the 613 Laws. He surprised the rabbi's by naming two. He then surprised them further by making the two commandments equal in importance.

Loving God is equal to loving your neighbor.
