John 1: 35 - 42

The Gospel describes the call of the first Apostles. Vocation from the Latin word Vocare means to call. We usually associate that to religious life, priests, monks, nuns, etc. But anytime we commit ourselves a work for God, for example, visiting prisoners, sick in hospital, St. Vincent de Paul service to the poor, etc. That too is considering a calling - a vocation. It is every one's responsibility to discover their call in life.

Parish Comment

As you know there has been some controversy regarding prayer before CYO athletic games. No one likes anything pushed on them without due process (meaning a part of the conversation). So that it is understandable when parents get upset because they feel their views are irreverent. On the other hand, no one is being forced to pray. It is a choice to pray before a game or opt out. Both sides of the issue decide what to do and no one loses, so let's be teammates.

The White House is pushing the Department of Health that health services must cover contraceptives, abortion and sterilizations by January 1, 2013. Catholic Institutions morally opposed to this would be forced to discontinue social services, education and health care to the general public. One U.S. diocese said they will continue to cover insurance for employees, but for abortion and sterilization, they will have to seek insurance coverage elsewhere.
