### Matthew 28 : 16 - 20

The defining of God by Jesus as Father, Son and Spirit is a whole new vision, insight into the divine being that no other faith has surpassed in its clarity of attempting to understand the mystery of who is God. It draws us into the great liturgies of the Faith, Christmas, Easter and Pentecost. It declares Christ is the beginning and the end, word of the Father and present to us in the Spirit. God comes to us in triune ways.

Congratulations to Keira Engler,  
receiving her First Holy Communion

### Universal Church

Are annulments too early? Some say yes. In the U.S. 31,265 were issued in the year 2009, the most granted on invalid consent. The United States has 6% of world's Catholic population but accounts for two-thirds of annulments granted. In 1968 only 338 annulments were annulled in the U.S. If a married person disagrees with an annulment granted, one can appeal to the Vatican who at times have overturned the annulment.

Parish Comment A study of Parish Life upon review said there are too few opportunities in parish life for the generations of Catholics to get to know each other. We are all divided into our age groups and there is a hunger to bridge that gap.
