Mark 5 : 21 – 43

The fact that Jesus performed so many miracles in his life time is one reason why he has never been forgotten. Both of these miracles in today's Gospel were beyond the help of any earthly power. Both individuals had the faith to turn to Christ for supernatural help. They did the only thing left to do for them, and their prayers were answered. How could they ever forget Christ.

Vatican News

The 46 year old Italian layman who lived in the Vatican with his wife and 3 children, who served the Pope's meals, cares for his clothing, sits with him in travels, has an access to the Pope few people have. His treachery if true must have stunned the Curia, and leave Pope Benedict XVI with an enormous sense of betrayal. He is presently being investigated on leaking private papal documents to an Italian journalist. No one is yet sure what these documents contain but you can bet this story is far from over.
