John 6 : 1 – 15

It seems Jesus used the Sea of Galilee for quick escapes from the crowds, here he is doing it again, and again the boat crossing fails to escape the crowds. The temptation for the crowds will be only to view Jesus as the Wonder Bread, someone who can do everything for them and basically it will be a take-take relationship instead of a give-take relationship. Eventually they will realize Jesus is not a slave to exploitation or manipulation.

The Papal Apartments is a ten-room suite which has been completely renovated. Pope Benedict XVI's private library has over 20,000 books. Below the holy office is the ancient city of Rome and an amphitheater, the circus of Nero. Nero's mother lived on Vatican grounds, her villa discovered in 1999, as they dug an underground parking lot.
