John 6 : 41 -51

Many people will not accept this teaching of Jesus Christ that He is the bread of life. The bread refers to his person. Many Catholics today are not even sure the bread at Eucharist is transubstantiated. In the Gospel Jesus declares He is the bread that has come down from Heaven. Even though Faith is a gift from God, it does demand openness on our part.

A Beautiful Day

Ecclesiology

The Catholic Church is not a congregational church. Congregationalism has a tendency to see only and care only for what is happening without our own parish boundaries. Catholicism identifies more and more with the greater church and can we also do something for them.

National News: Immigration

The Supreme Court struck down key provisions of the Arizona Immigration Law 2012.

- A. It is not a crime for undocumented immigrants to apply for a job or hold one;
- B. The police have no right to stop anyone on the basis of probable cause, i.e. a person may look illegal.

Small but key victories for those who support comprehensive immigration reform.

Coffee gathering after Mass at St. Mary's, organized by Grace Farley. Cows came by to check us out.
