### Mark 10 : 17-27

This young man obviously was interested in his after life and how does he prepare for it. The Jews believed that if you were rich, you had God's blessings on earth, so that being true you should get into Heaven. But Jesus said wealth can be a stumbling block to the Kingdom in this life and the next. Contradicting Jewish belief, Jesus said, salvation does not come from being rich, salvation only comes from God.

"For it is easier for a camel to go through the eye of a needle, than for a rich man to enter the kingdom of God" (Luke 18:25).

Universal Church: October 11, 2012 marked the 50<sup>th</sup> Anniversary of Vatican II, a historic 3-year assembly led by Pope John XXIII. "It called for people not to have passive participation but active participation," said Archbishop Aymond, chair, Divine Worship, U.S.
