Luke 9 : 51 – 62

It's a rare question we ask of people, *who do you think I am!* Yet Jesus wanted to know, so he asked the question. If we believe in him as more than man, then he will make a difference in way we live. Today's Gospel follows last week on knowing. Jesus heads to Jerusalem against all advice because he is faithful to his calling. Here in Jerusalem will the glory of the divine being be revealed in his resurrection.

Vera Baboun, a Catholic, is the first woman to be elected Mayor of Bethlehem, and only the 2nd Palestinian woman ever elected mayor to a Palestinian City. Bethlehem has a population of 22,000; and is economically struggling. Pilgrims never stays here, a few hours and left. She wants to change that. Her husband John died in 2007 from health complications after years in a Israeli Prison. His loyalty to Palestine cost him his life. Israel has taken large chunks of land, Israeli settlements in this area, a separation barrier has choked the life out of Bethlehem. Vera wants to extend Bethlehem and begin development project.

Pastor's Reflection: The purpose of the church is not to throw out the bad but instead to purify them. A hard ideal to live up to, but it is who Christ is who lived amongst sinners.
