Luke 17 : 11 - 19

Now it would seem that these ten lepers were healed rather quickly because they were still on the same road where the miracles took place so they cannot be that far away from where Jesus is. It wouldn't have been a burden to turn back. This is more than ingratitude, this is godlessness. Miracles, only God can do so if God does and you cannot give thanks. Woh.

The Knights of Columbus celebrated their 131st Supreme Council in San Antonio, Texas, August 6th - 8th. Their theme this year, "Protect God's Gifts, Faith, Liberty, Life". The Knights are everywhere in the world today. They are the largest Catholic contributors within the Church.

Vatican Curia. Everyone is hearing Pope Francis 1st is going to restructure the Curia, maybe decentralizing it to some extent. The present structure dates back to the 16th Century. The Curia consists of the Secretary of State, nine Congregations, three Tribunals, eleven Councils, three Offices, and the Vatican Bank and Swiss Guards. Rather than a centralized authority, Pope Francis is looking at Synods General, Assemblies, and Regional Assemblies to discuss Church issues.
