New Paschal Candles at St. Cecilia's & St. Mary's

### From the Pew:

#### Christ is Risen.

Alleluia! The anthem of Easter, the eternal message, the symbolic symbol of Christ's Resurrection during the Easter Season liturgies is the Paschal Candle. It reminds us of Mary Magdalene with a lamp on her way to the tomb to find out, through her light, he is no longer there. He is risen. This is the emphatic testimony of the Easter Revelation.

#### Year of Marriage – Part II

Pope Francis acknowledges divorce and remarriage is a complex issue. On the one hand those who have sincerely tried to save their marriage and have been unjustly abandoned by their spouse, compared to those who through their own grave fault have destroyed their canonically valid marriage. The concern is by allowing all divorced – remarried to receive Communion does it create confusion about the indissolubility of marriage. The annulment is the part to remain.
