John 14 : 1 - 12

Everyone needs a home, otherwise we are homeless. Homelessness is a devastating, heart wrenching human experience. It robs us of our dignity and communities. Christ made sure we would not leave this world feeling homeless. A place has been prepared for us. We leave this world with tremendous hope.

### Our Planet Crisis – Part I

Looking after Mother Earth is one of our most important responsibilities. Five spiritual movements in our ecological examen.

1<sup>st</sup> – We begin with thanksgiving and gratitude for all creation, its gift and beauty to us. (Where are we in this form of appreciation.)

2<sup>nd</sup> – Ask for a spirit from our Creator to open our eyes and ears so that we might protect and care for creation.

3<sup>rd</sup> – How have I been drawn to God through creation. (Many a person found God through the miracle of creation) Where is my experience of this.
