Knights of Columbus Part 3 of 3

Fr. McGivney, pastor of St. Thomas carried a backbreaking pastoral load which is why he probably died so young at 38 years of age of pneumonia. In 1996 the first step to canonization was formally opened. The Knights were once overwhelming Irish. Today it is a diverse organization, in Canada, Mexico, Philippines, Central America, Caribbean, Poland, Ukraine, Lithuania, Ireland, etc. It has boasted \$20 billion in assets, 929th largest company in the world, 70 million hours in volunteer time of its members. It takes a strong stand against the secular cultural world of our times.

Did you know? 92 million Americans still out of work.

By the Percents. The new translation of the Mass Prayers. Catholics respond:
50% ... say it should be revised
23% ... priests' voice should be included next time
27% ... say it is fine as it is
23% ... have no opinion.
