Matthew 21 : 33 – 43

The emphasis on the Church will extend beyond Israel and to all corners of the world is clear in this text. Christianity is a missionary faith, to bring the Gospel to all peoples. This puzzles contemporary 21<sup>st</sup> Century minds today. But it remains and it has always been, the first mission of church activity is to invite people to hear the word of Christ.

### World Conflict

As the United States enters a new war, the Catholic five principles of a just war are:

1. A grave violation of human rights
2. All other means have been exhausted
3. The war does not make matters worse
4. There is a founded hope of success
5. It is impossible to foresee a better solution.
