John 2 : 13 – 25

Jesus action in cleansing the temple was a protest against the commercialization of religion and the desecration of the temple. It also was a declaration that Judaic temple ritual and animal sacrifices was irrelevant and could do nothing to bring people to God. Jesus is going to replace temple sacrifices with spiritual worship.

**Vatican** More than 6 million pilgrims visited the Vatican in year 2014.

Parishes are returning back to the days when men had one evening in the month to gather and socialize. Usually called men's club. Only 37% of Catholic men attend regular Sunday Mass. The success of these clubs generally is fellowship, good and beer. Men want to meet other men and to spend time together. There is a crisis of loneliness among men today where young men are falling away to virtual worlds that aren't real. Allowing time to listen to each other, share and support each other makes life real.
