John 20:1—19

The Easter Candle (Paschal Candle) is lit up, the symbol of the light came into the world and rose from the dead, therefore offering his life, new life to us. Belief in this promise by Christ to us is what makes us Christian, My kingdom is not of this world but the world to come. Alleluia then becomes the Easter Anthem.

Alleluia
He is
Risen

Easter is a time to get in touch with our
Catholicism. The French President Francois Hollande
was asked if he identified himself as Catholic. He
said, "Yes, but I'm agnostic also." When asked how
do you reconcile these two contradictions, he said,
"Of course I am a Catholic, I am French."

Cell phones. A study of smart phones as a form of
communication in relations is leading to poorer
relationships and lower life satisfaction. For valued
relationships there must exist a balance between
words and presence.

Homelessness. 58 states have enacted restrictions
on the homeless as no resting in public spaces,
living out of a car, panhandling, sharing food and
being arrested or fined for basic acts of survival.
Criminal records make it more difficult to find jobs
or house havens to get them off the streets. This is
no solution to the homeless problem. It addresses
nothing.
