John 6 : 60 - 69

This was the first schism in the church. Schism meaning a division in the church or a difference in opinion on doctrine. Here multitudes of Jesus followers walk out of his camp never to return because of the Bread of Life theology. The twelve do not leave him. They intend to wait and inquire more about him.

### "Why do I go to Mass"

- For the miraculous privilege of receiving the Body and Blood of Jesus, to gain grace for our needs and the needs of the whole world ... Bonnie de Rutte
- I go to church to pray for my family and keep them healthy and to thank God for all of my many blessings ... Grace Farley
- To stay focus on the Trinity in my life and to give thanks for my blessings ... Kathleen Mullen

**Junipero Serra** (Part 4) Upon entering the Franciscan life at 15 years, Serra will rarely see his parents again. The Cathedral in Palma 1229 is Spain's second most important Cathedral, completed 1609. One of the largest rose stained windows in the world. The Cathedral was built over a mosque to eradicate Islam. It would seat 1,000s. It was a reminder to the world the power of the Catholic God in life and the authority of the Catholic Church.
