John 10 : 27 - 30

This has the sweet tone of two being in close relationship. This is not a one way relationship where one determines all. This is a relationship where God is close to his sheep and know them; and his sheep is close to God and know Him.

**Genocide** (part 1 of 2) Knights of the Columbus has released reports of what is clear evidence of genocide against Christians by ISIS, war crimes and crimes against humanity. Christians are being murdered, raped, kidnapped, sold into slavery, driven from their homes, torture, forced conversions as well as destruction of their churches and ancient sacred sites. The Knights claim if this is not genocide then what is.

**Syrian Crisis** The European Office of the Jesuit Refugee Service notes that the building of fences along borders is ineffective. These are people escaping violence only to be received with violence. What we see is through fences, real people, real families, real suffering. People aged 80 years; people in wheelchairs; people having heart attack; children in shock; young mothers in fear of their situation; and fathers in helplessness. This is the real reality. Until the Syrian War is resolved, this will be the only sad reality.
