Pope Francis "If we want to build peace, we have to tell the story. Many who feel they are left out believe their stories are not being heard."

Our Sacred Space (Part 4 of 5)

Ambo (Pulpit) Readings, Psalms, Gospel, homily and prayers use this furniture. It is to the right of the altar and is not to use for announcements or presentations. It is usually in the sanctuary but not necessarily.

Why migration? Over 65 million people have been displaced from their homes globally which leads to migration. It is not the people's fault, but brutal intolerant dictatorships and greedy ineffective economies that serve only the few. Unless governments do what they are expected to do, there will be more and more migrants.
