John 14 : 1 : 12

In early Christianity, things were looking up. The Sanhedrin, Pharisees, and priests were the leading opponents to Jesus Christ to the point of wanting him dead. Acts speaks of priests becoming followers of Jesus Christ in the Church's early days. This means they were already turning over the hearts and minds of its former enemies.

The relationships of the Family relates to the relationships of the Trinity, both a communion of persons. The Family is the domestic church. Primary duties of parents is to provide for their children shelters, health, food, education, good citizens and to form disciples who grow in Gospel truths. Who of us can ever repay our parents.
