Matthew 16 : 13 : 28

Jesus asked the question who do people say I am because people had come up with farfetched ideas about who he was, and most of that was nonsense. He is not John the Baptist or the prophet Elijah. He is not just a miracle worker or a spiritual guru. He is not just a political disturber or social activist. He is not just a holy man, a religious Jewish reformer. All fall short of who he is. Peter came to the correct conclusion. You are the Christ, the promised Messiah, the Holy one, the Son of God.

Pope Francis Among us, who is above must be in service of the others. This doesn't mean we have to wash each other's feet every day, but we must help one another.

10th Commandment – You shall not covet thy neighbor's goods. This is a larger sin than simple stealing. This is what causes wars, colonizing, controlling indigenous resources, land or sea that rightfully is not ours to take, having dictators as our enforcers. This commandment is to free us from greed and envy, and avariceness.

The Ten Commandments is to turn our lives towards God. For where your treasure is, there also will your heart.

The most famous churches in Christianity - **Church of Nativity**, Bethlehem, Palestine. The name means House of Bread. The Church is built atop the site of Jesus birth, one of the oldest churches in the world, where the son of God humbled himself to become man.
