Family & Religion

Bringing religious symbols back into our homes is a statement of faith in the home.

- + Holy water vessels at front doors
- + Holy pictures of Christ, Our Lady, Saints, etc.
- + A Bible in the home
- + Religious ornaments
- + Rosary beads
- + Candles

They are all reminders of our Christian call to have God in our daily lives. They help us to spiritualize our lives. They remind us of faith and transcendence.

Synod of Bishops on the Amazon Region Vatican October 2019 This synod may not strike most Catholics as a matter of great interest. But hold on – the Bishops of Amazon (2.1 million square miles) are asking for married priests and if Pope Francis approved for this region it will set the church on a path of other Catholic regions seeking married priesthood due to the shortages of priests, i.e. Europe. Priestly celibacy has a long and honored place in the Church. It goes back to Jesus words, Mt. 19:12. "He praises those who forsake marriage, for the sake of the kingdom of heaven. Finances will be a real factor if Rome sets a path of radical change.
