Mark 3 : 20 - 35

I am not sure how Mary his mother felt kept waiting outside the house to see her son while Jesus continued to expand on his vision of Christian community of brotherhood and sisterhood. Maybe Jesus deliberately excluded his mother from this conversation out of the kindness of his heart. What mother wants to hear, other women can be mothers to her son. Not going to happened with Irish Mothers. You have a war on your hands.

Welcome Annmarie Lacy

from Co. Meath, Ireland, tracing her family history. Annmarie's grand aunt Delia Mary Gahan and her husband Patrick Gahan purchased the Lagunitas Shop circa 1925. Mrs. Gahan's Brother Edward Lacy worked at the store and lived in a yellow house opposite St. Cecilia. The family owned the business until 1964. If anyone has info, email lacyannmarie@gmail.com.
