Mark 6 : 30 - 34

Jesus believed in rest and self reflection or self analysis. This is considered healthy and essential to well being. As Pope Francis said, "We are not machines but human beings with human needs. Third century Saint Pambo the Hermit said, "Silence is the first step towards deepening our spirituality."

### 3<sup>rd</sup> document, Dei Verbum, Divine Revelation

The Church has always viewed itself as God working through the Catholic Church; through scripture and tradition, Jesus Christ being the center of everything. The mission of the Church is to communicate to others what has been revealed to the Church. The Gospels have a preeminent place amongst all of scripture. It is God's word to nurture our souls. (Rom. 2:6-7). Google more info. Extra reading: Veritatis Splendor 1993 John Paul II encyclical.
