Pope Francis "The Church must be a place of mercy freely given, where everyone can feel welcomed, loved, forgiven and encouraged to live the good life of the Gospel."

Racism (Part 4) The civil rights movement opened dialogue on racism. Stereotypes is an issue. A white person goes into a shop and is allowed to shop and viewed a customer. An African American goes in and is looked at as a possible thief. Catechism of the Catholic Church states "We are created in the image of God. All have souls, all redeemed by Christ's sacrifice and all enjoy an equal dignity at conception."
