Mark 10 : 46 - 52

Many miracles are associated to Jesus life, and no one disputes this fact, not even the Jewish Sanhedrin, or the Romans. He heals the sick, cures leprosy, make paralytics walk, dries up an issue of blood, the deaf hear, the blind see, subdues nature and raises the dead to life. By any standards, a remarkable authority over creation.

Pope Francis

We must keep humanity intact by keeping the human heart alive.

Martyred Oscar Romero

(Part 1 of 3) Canonized 10/14/2018. Only a few Archbishops in centuries have been martyred. Now Romero is one. El Salvador is still in extreme poverty and violence. But Romero is a beacon of hope for his people. He was a shy man, only 3 years Archbishop of El Salvador. But he spoke out against injustices and military regime. It is one thing to love the poor, it's another thing to defend the poor against those who impoverish them. He made enemies against the ruling class in doing this.
