Palm Sunday begins Easter week of numerous liturgies, Holy Thursday, Good Friday, Vigil, and Easter Sunday. The greatest lesson Jesus taught us is death cannot capture anything already in God's hands. What we freely give back to God enables us to elude the grasp of death. The lesson of Easter week.

Pope Francis

Prayer unites us to God. Charity to our neighbor. Fasting to ourselves.

10th Council of the Church

Lateran 1st, 1123. 300 bishops attended who decreed temporal authorities, i.e. Kings have no rights to appoint Bishops or a Pope. Only spiritual authorities appoint Bishops, i.e. the Pope. The other major decision made at this council is priests are no longer allowed to be married. If they wish to be ordained to the priesthood, they must forgo the married life.
