John 20 : 1 - 9

The Resurrection authenticates everything he said about himself, life and God. Jesus would just be another man, though an extraordinary human but if not for the resurrection. Resurrection makes him no mere man but the word made flesh, the light of the world and the source to eternal life.

11th Council of the Church

Lateran II, 1139. 500 bishops attended to confirm the election of Pope Innocent II as Pope. Anacletus claimed he was Pope, so there were two popes. Anacletus died so it resolved the issue. The Council confirmed Pope Innocent II as Pope.

Vatican II For centuries the church only asked Catholics to attend Sunday Mass and receive the sacraments. Catholics were poor, rich patrons provide for the financial needs of the church. Vatican II changed all that. The Church is the people of God therefore go beyond Sunday. Be active in church life, church ministries, catechesis, social justice, liturgy, music, socials, athletic programs etc. Be involved beyond Sunday, beyond sitting in the pew.
