John 20 : 19 - 23

The Holy Spirit in essence is love. The unholy spirit (untouched by God's spirit) in essence is hate and evil. Why people choose to live with a painful energy that is disruptive, chaotic, bitter, caustic, mean-spirited, ill and satanic is beyond reason. Yet Satan still lives for reasons.

Pope Francis To be close to Jesus is to understand the wounds of our brothers and sisters who suffer before our very eyes.

16th Council of Vienne 1311

Pope Clement V called the Council. The King of France, Philip IV wanted the Templar Knights disbanded. They protected pilgrims going to the Holy Land. They took monastic vows. They became extremely wealthy. King Philip wanted their wealth. With a weak Pope, the Templars were rounded up, tortured and murdered. They were not allowed to defend themselves of charges. Many escaped bringing their wealth with them.
