

12TH SUNDAY IN ORDINARY TIME – YEAR A – 2020

Today, as we celebrate the Fathers' Day, I would like to share with you this reflection from a cartoon movie. During his study for a Spelling Bee Contest, a young boy comes up with some beautiful reflections about parents when playing around with the words. Here is what he wrote:

- In the middle of belief there is still a “lie” – L-I-E.
- Friend always closes with an “end” – E-N-D.
- Even lover has to end with “over” – O-V-E-R.
- In the heart of a wife there is always “if” – I-F. There are always “conditions.”
- Only MOM and DAD remain the same even when we change them around – backward or forward. MOM and DAD are always the BEST.

As we honor our parents, especially the FATHERS today. I thank God for my parents; I thank Jesus for my DAD. I see the image of God's love, of Jesus Christ in my parents, and I hope all the parents and grandparents in our community can show the image of Christ in you, through the way you love and serve, in the way you live your faith, to be role models for your children and grandchildren.

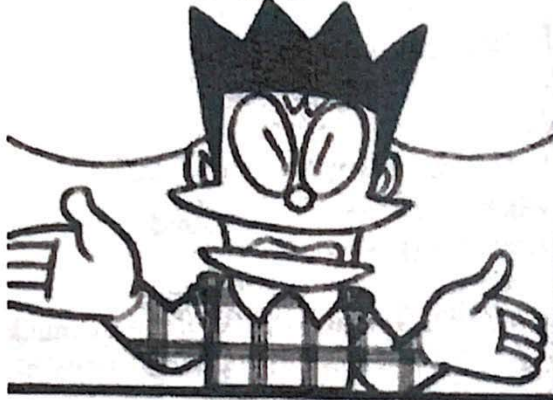

St. Paul says in his letter to the Corinthians: "Stand firm in the faith, be courageous, be strong. Your every act should be done with love" (1 Cor 16:13-14). Faith. Courage. Strength. Love. That's all things we wish to see in the life of our parents, especially our Dads whom we honor today.

Dear MOMs & especially DADs, may the blessing of God be abundant upon you, and may he grant you every grace to know, to love, and to serve him! May you be a Christian model for your children, being faithful to God – both in good times and in times of difficulty – to take up your daily cross and faithfully follow Christ Jesus!
