Capital Campaign: As of 01/31/2015,

- 30% of St. Mary's parishioners had made pledges
- Total pledges from St. Cecilia and St. Mary parishioners amounted to \$44,150, 26% of our Goal
- Total actual contributions amounted to \$18,575
- Pledge acknowledgement and yearend tax deduction letters have been prepared for mailing

Preservation Project: As of 01/31/2015,

- Based on advice from counsel and review of Archdiocese policies and procedures:
 - The Archdiocesan Building Committee has been polled for their interest in the project
 - A meeting with the Committee is being set up for early March
 - Based on the results of that meeting, we will report out to the Capital Committee and the parishioners
 - Hopefully, we will then also be able to restart the design process
